New products are critical to CPGs, and consumer promotions are frequently included in product launch plans. Yet, these promotions are typically deployed tactically, without deep insight, strategic thinking, and the experience necessary to deliver scale and achieve success.

Not surprisingly then, recent studies show over 80% of CPG launches fail.

matrixx makes a real difference, bringing turn-key expertise to create and manage your promotion from start to finish.

- Conceptualization
- Strategic Planning
- Creative Development
- Software & Programming
- Legal, Bonding & Insurance
